

# Point Group Homework

October 11-12th 2025

Pastor John Houston

## Warm Up

If you were king or queen for a day, what's your first ridiculous law or decree?

If Hollywood made a movie about your life, what genre would it be — action, comedy, drama, or something else? Why?

## Know It

*Take some time to read Esther chapters 1 and 2 before answering the questions*

What stands out most about how Xerxes is portrayed in Esther 1–2? What do his actions reveal about his character and priorities?

Esther and Mordecai both made choices that seemed compromising — staying in Persia, hiding their faith, and complying with the king's system.

Why do you think God still chose to work through them? What does that say about God's character?

The name of God is never mentioned in Esther, yet His hand is clearly at work. How have you seen God working “behind the scenes” in your own life — even when you couldn’t see Him clearly in the moment?

### **Live It**

Where in your life do you sense God “setting you up for growth” — maybe through something uncomfortable or unexpected?

What would it look like this week to trust that God is at work, even when you don’t see immediate results or understand His plan?

How can we ensure that we’re not just professing faith but possessing it — truly living like people who believe God is in control?

How can your Point Group pray for you regarding what was discussed this week?
